Testing & Education Reference Center

This database is an interactive platform of practice tests. You get immediate scoring, answer explanations, and a report of your results.

- Go to the Cosmetology LibGuide http://libguides.easternflorida.edu/cosmetology.
- Select the Licensing Exam Review tab and click Testing & Education Reference Center.
- Log in using your B number (example: B00999999) for the Borrower I.D. and your birth date MMDDYY (last two digits of birth date for YY) for the PIN.
- Under Career Tools select Cosmetology
- Select Cosmetology
- Select Register Now, the first time you use this database you need to register
  - Follow the prompts to set up a unique username and password, ex. your B number
  - Each must be at least 4 characters and are case sensitive
  - Enter your email address in case you forget your password
- Log in if you’ve already registered
• **Milady Standard Cosmetology** is based on the 2012 textbook and contains over 1,000 multiple choice questions.

• Use the navigation on the left side of screen to view the tests and reports.

• **Instructions**: describes the different types of tests and reports, also listed here

• **Tests**: choose a test type from the list:
  - **Chapter Reviews**—reviews answers as you go thru test
  - **Chapter Tests**—simulated test, shows correct answers after test is completed
  - **Comprehensive Test**—consists of 100 questions randomly selected from all chapters in this course. Shows correct answers after test is completed

• Select a chapter and begin practicing for your state boards
  - Note the **Finish Later** link during the test, you may stop the test at anytime
  - At end of test you can **View**, **Print**, or **Retake**

• **Reports**: select a report to view:
  - **Performance Report**:
    - **Chapter Review Test**
      This report displays the date of the review, the number of questions answered correctly, the total number of questions in the review, and your percentage correct for each review. The report includes the last 5 reviews taken for each chapter. You can **view** or **print**.
    - **Chapter Test**
      This report displays the date of the test, the number of questions answered correctly, the total number of questions in the test, and your percentage correct for each test. The report includes the last 5 tests taken for each chapter. You can **view** or **print**.
    - **Comprehensive Test**
      This report displays the date of the test, the number of questions answered correctly, the total number of questions in the test, and your percentage correct for each comprehensive test. The report includes the last 5 comprehensive tests. You can **view** or **print**.

  - **Comprehensive Summary Reports**:
    - **Comprehensive Test Summary Report**
      - This report provides information to build a Learning Plan for further study based on your Comprehensive Test(s) performance.
      - Up to five Comprehensive Tests are included in the average.
      - Recommended areas for further study are based on averages below 70% and are highlighted in red.
