MLA: Citing an Article from a Website

Example Citation #1:

Example Citation #2:

Explanation of Formatting
Include information in the following order:

**Author**
- Write the author’s last name, followed by a comma.
- Next, write out the author’s first name.
- If the author’s middle name is present, include it after the first name.
- If the author uses initials for their first name, use those in place of the first name, ensuring a period is present after each initial.
- End the entry with a period after the first name/middle name, initials, as appropriate.

**Title**
- Provide the title of the article in quotation marks.
- Capitalize the first letter of every word, excluding coordinate conjunctions/fanboys (for, and, nor, but, or, yet, so), articles (a, an), and prepositions (on, with, without, to by, at, around, after, along, etc.)
- End entry with a period within the quotation marks.
Source
- List the name of the source where the article was found in italics.
- Capitalize the entry as appropriate.
- End the entry with a comma.

Publisher
- List the name of the publisher of the source, capitalizing as appropriate.
- End the entry with a comma.

Date of Publication
- Provide the date the article was published.
- End the entry with a comma.

URL
- Provide the URL where the article was found.
- End the entry with a period.
