Explanation of Formatting:
Include information in the following order:

**Article Author**
- List the author’s name in Last name first name format. Ensure a comma is placed between the two names.
- If the author provides a middle name, list it after the first name with no punctuation between the two.
- If the author uses initials in place of a first and/or last name, provide those instead.
- End the entry with a period.

**Title of Article**
- List the title of the article in quotations.
- Capitalize the first letter of every word, excluding articles (a, an), prepositions (with, without, after, among, to, from, etc.), and coordinate conjunctions/fanboys (for, and, nor, but, or, yet, so).
- End the entry with a period inside the quotation marks.
Title of Book
- List the title of the book in italics.
- Capitalize as appropriate.

Editor/Author
- Write out “Edited by” before listing the editor or author of the book in first name last name format.
- Ensure no commas separate these names.
- End the entry with a comma.

Publisher of Book
- List the publisher of the book and capitalize as appropriate.
- End the entry with a comma.

Publication Date of Book
- List the date the book was published.
- End the entry with a period.

Article Journal
- List the Journal in italics and capitalize as appropriate.
- End the citation with a comma.

Article Publisher
- List the article publisher and capitalize as appropriate.
- End the entry with a comma.

DOI, Permalink, URL
- Provide the DOI, Permalink, or URL as required by your teacher.
- If there is no preference, a DOI should be the first consideration. If there is no DOI, look for a permalink. If there is no Permalink, choose the URL.
- End the entry with a period.
